## Other Non-Permitting Interested Governmental Agencies and Entities

### Federal Agencies

- U.S. Department of Energy, National Renewable Energy Laboratory – Funded WaveConnect™ Project design and permitting, fosters renewable energy development
- Bureau of Land Management (BLM)

### State Agencies

- California Public Utilities Commission – Funded WaveConnect Project design and permitting, regulates Investor-Owned Utilities such as PG&E
- California Ocean Protection Council – Conducts research and formulates policy focused on protecting California's marine resources
- California Energy Commission – Fosters renewable energy development and conservation in California

### Local Entities

- Humboldt State University, College of Natural Resources and Sciences – Conducts research on Humboldt County coastal resources
- Humboldt State University, Schatz Energy Research Center – Promotes the use of clean and renewable energy, conducts research on renewables.
- California Coastal Conservancy
- City of Eureka
- Humboldt Bay Harbor, Recreation & Conservation District

### Native American Tribes
