

convenience, to withdraw this Request for Quotes at any time, and to reject any and all submittals without indicating any reason for such rejection. Submitted quotes become the property of the District. After a contractor is selected by the District and the Notice of Award is issued, failure to deliver the executed contract along with the certificates of insurance (subject to review by the District's Risk Manager) in a timely manner (e.g., 10 days) may result in cancellation of the award of contract and selection of another contractor to perform the work.

Insurance Requirements:

Within ten (10) days following issuance of the Notice of Award of the Contract, the following documentation of insurance shall be submitted to Project Manager and District electronically for approval prior to issuance of the Notice to Proceed: Certificates of insurance showing the limits of insurance provided, certified copies of all policies, and signed copies of the specified endorsements for each policy. At the time of making application for an extension of time, the Contractor shall submit evidence that the insurance policies will be in effect during the requested additional period of time.

General Liability:	\$1 million combined single limit personal injury and property damage for each occurrence and \$2 million annual aggregate; or \$2 million annual combined single limit
Builders Risk:	Not required
Automotive:	Covering bodily injury and property damage in an amount no less than \$1 million combined single limit for each occurrence.
Workers Comp.	At least \$1 million liability is required.

The certificate(s) for both the General Liability Policy(ies) and the Automobile Liability Policy specified above must state that the insurance is under an occurrence based, and not claims made, policy(ies) and shall be endorsed with the following specific language:

“The Fortuna Union High School District is named as additional insured for all liability arising out of the operations by or on behalf of the named insured, and this policy protects the additional insured, its officers, agents and employees against liability for bodily injuries, deaths or property damage or destruction arising in any respect directly or indirectly in the performance of the Contract.”

The certificate(s) for both the General Liability Policy and the Automobile Liability Policy, as well the Builders' Risk Policy if required above, shall be endorsed with the following specific language:

- 1) The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured and the coverages afforded shall apply as though separate policies have been issued to each insured.

- 2) The insurance provided herein is primary and no insurance held or owned by the District shall be called upon to contribute to a loss.
- 3) Coverage provided by this policy shall not be reduced or canceled without thirty (30) days written notice given to the Owner by certified mail.
- 4) This policy does not exclude explosion, collapse, underground excavation hazard, or removal of lateral support.
- 5) The certificates must state that the insurance is under an occurrence based, and not a claims-made, or "modified occurrence," policy (policies).

Bond Requirements: With project value under \$25,000, no payment or performance bonds are required.

Bid Security: With only informal quotes being requested; there will be no bid security (e.g., 10% cashier's check or bid bond) required.

Liquidated Damages: Liquidated damages for the Contractor's failure to complete the Contract within the time fixed for completion are established in the amount of \$200.00 per calendar day.

Bid/Quote Submittals: Contractors providing quotes need to complete the attached Bid Proposal form, Subcontractor List Form, Workers' Compensation Certificate and Bidder's Questionnaire. Quotes should be good for at least 30 days from the date of submittal. Prices must be quoted F.O.B. Fortuna High School.

All construction contracts exceeding \$2,000 shall include provisions for compliance with the Contract Work Hours and Safety Standards Act (CWHSSA), The Copeland Act (Anti-Kickback Act) clause, and the Fair Labor Standards Act (FLSA) clause.

Minority, women, and disabled veteran contractors are encouraged to submit quotes. This project is not subject to Disabled Veteran Business Enterprise requirements.

SCOPE OF WORK

The selected contractor will:

Provide all equipment, labor, and material for a complete project. Include all site work, disposal, design and applicable fees and taxes.

1. Base Bid:

- a. Retrofit existing fixtures to LEDs:

Area Name	Existing Fixture	Proposed Fixture	No. of Fixtures

3. Coordinate with the District and Redwood Coast Energy Authority to ensure adherence to Proposition 39 program guidelines.

- a. All project services will comply with Proposition 39: California Clean Energy Jobs Act Program Implementation Guidelines.
 - b. Contractor commits to prompt communication of change orders prior to execution to ensure Proposition 39 compliance.
- 4. Follow project rebate guidelines.**
- a. The selected contractor must work directly with the Redwood Coast Energy Watch (RCEW) program to ensure that the District receives all possible rebates associated with this project. RCEW will manage the rebate process with direct support from the selected contractor to ensure that the project remains rebate eligible. The rebate process requires detailed coordination of a variety of events. The selected contractor agrees to:
 - i. Ensure that all applicable LED technologies are listed and eligible for incentives. Use the California Statewide Qualified LED Product List for Verification: <http://www.caio Lightingqpl.com>.
 - ii. Share the material list with RCEW prior to purchase to confirm incentive eligibility. For example, changes in selected brands or slight variations in installed wattages may impact overall incentive value or eligibility.
 - iii. Be available for the following rebate inspections:
 - 1. Pre-construction rebate inspection with RCEW or other third party engineering firm.
 - 2. Post-construction rebate inspection with RCEW or other third party engineering firm.
 - iv. Immediately inform RCEW of any potential scope changes that take place during the project. For example, and as 2.a.ii notes, slight variations in installed wattages may impact incentive values and eligibility.
 - v. Furnish adequate invoices that detail material and labor costs at the measure level. These invoices will be submitted to RCEW for rebate purposes. There may be a request to break out costs per an itemized invoice.
 - vi. Itemize costing for RCEW reporting needs. Contractor acknowledges and agrees to provide this itemized (labor, materials and incrementals) costing post completion to ensure that each efficiency measure maintains eligibility for state incentives. For additional information about eligibility and reporting requirements for state incentives, please contact RCEW Project Manager Patrick Owen at powen@redwoodenergy.org.
 - vii. All new fixtures shall have an L70 \geq 100,000 hours.
