Account Number

This is where you will find your existing PG&E account number.
- 2

PG&E Electric Delivery Charges

This is PG&E's charge for the delivery of electricity to your home or business. It includes transmission, distribution, and a variety of other fees explained in Point 5 (page 2 of your Sample Bill). It does NOT include generation charges if you're an RCEA customer. PG&E has always charged for the delivery of electricity; this rate will not change if you're an RCEA customer.
- 3

RCEA Electric Generation Charges

This is RCEA's charge for generating the electricity that powers your home or business. This charge replaces PG&E's fee for the same service. These charges are detailed on Page 7 of this Sample Bill.
- 4

Total Amount Due

The total amount due includes ALL of your fees for PG&E gas services and electric delivery, and RCEA electric generation services. You should pay the total amount due on your bill to PG&E, as indicated.

- 5 Customer Charge**
 This represents either the minimum service charge for a month or the cost of electric delivery to the service address.
- 6 Utility User's Tax**
 This tax is collected from all customers of a specific utility to provide revenue for the usual current expenses of Humboldt County.
- 7 Electric Monthly Charges**
 This is a charge that must be paid to PG&E every month to ensure grid access. It matches the charge on the summary page of your bill (item 2).

RCEA is dedicated to supporting customers who generate their own renewable energy. NEM customers with RCEA buy energy at lower rates and sell energy back to the grid at higher rates.

8 Generation Credit
 This is the amount PG&E would have charged you for generation, if you were not an RCEA customer. **Because RCEA now provides generation, PG&E credits this amount to your bill.**

9 Power Charge Indifference Adjustment
 This fee is required by PG&E of all RCEA customers. It is intended to ensure that customers who switch to RCEA pay for energy that PG&E procured on their behalf, prior to their switch.

* Time-of-Use customer bills will be different - the rates are not based on tiers.

10 Franchise Fee Surcharge
 This fee is collected by PG&E to pay for the right to use public streets to run gas and electric services.

11 Monthly PG&E NEM Delivery Charges
 This is the sum of PG&E's charges or credits for electric **delivery**, which will be used for your annual true-up calculation.

12 Service Agreement ID

The service agreement number is a unique number in addition to your account number that documents your particular arrangement with PG&E (including billing days, metering information, and other factors) in order to calculate applicable charges.

13 Rate Schedule

This is where you will find your current rate schedule. More information on the various rates can be found at RedwoodEnergy.org.

14 Generation

This is the breakdown of electricity you either consumed from RCEA or generated from your system. A positive number is the net electricity used. A negative number is the net electricity your system produced.

15 Net Generator Bonus

If you generate more electricity than you use, each month RCEA will credit you at your retail energy rate **plus an additional \$0.01/kWh bonus**. Those surplus credits will be rolled over to the next month for you to use later in the year or to cash out.

16 Net Charges

This represents the total of charges and credits for the month. A positive number expresses a charge, whereas a negative number expresses a credit.

17 Energy Surcharge

This fee is collected on behalf of the California Energy Commission and applies to all customers, regardless of service provider. It was previously included in PG&E's fees.

18 Credited to NEM Balance

This number represents the amount of credit earned over the past month.

19 Your RCEA NEM Credit Balance Now

This number represents your total RCEA NEM credit balance. This amount will roll forward and be applied to any charges you will have next month to continue reducing your bill.

20 Total RCEA Electric Generation Charges

This is the sum of all electric generation charges from RCEA, which matches the electric generation charge on the summary page of your bill.
