

**Increase your
bottom line by
taking advantage
of our no-cost
energy services
for your business or
organization**

No-cost or reduced-cost energy saving services include:

-  LED lighting upgrades
-  Hot water saving technologies
-  No obligation assessment of lighting, refrigeration & other opportunities for your business

Our program also offers:

- Reports with available incentives, recommendations, and a financial summary
- Start to finish project management
- Assistance with 0%-interest project financing on your utility bill
- Incentives paid directly to participating contractors
- Negotiated discounts with qualified contractors and distributors
- PG&E rate analysis

Who is eligible?

Participants must be a non-residential PG&E electric and/or natural gas customer. Services are also available for residential efficiency PG&E electric and/or natural gas customers, call us to find out more.

Take the first step:

Fill out the application on reverse side of this flyer and return it to the Redwood Coast Energy Authority. Call us with your questions or to learn more about these no-cost energy efficiency services.

What happens next?

After reviewing the results of the evaluation, you can choose whether or not to proceed. Organizations that decide to make the recommended upgrades will enter into a work order agreement with a participating contractor and will be responsible for paying costs that are not covered by the Energy Watch incentive. Organizations deciding not to upgrade their facility are under no further obligation.
