

# Installing Commercial LED Lighting?

Redwood Coast Energy Authority offers incentives for qualifying projects!

## **Outside Contractor Option**

Participate as an outside contractor by scheduling a No-Cost Assessment for your client before any work begins.

## **Participating Contractor Option**

Participating Contractors receive weekly bid announcements for LED lighting projects. Call today to learn how to become a Participating Contractor.

Product restrictions and customer eligibility requirements apply. This program is funded by California ratepayers and administered by PG&E under the auspices of the California Public Utilities Commission. Call for more details.

**Call Today 707-269-1700**
