Amendment #1 to RCEA 2019 Renewable Energy Request for Proposals RFP-19-401

This amendment applies to the section RFP Response Instructions in the RFP (p. 7).

Proposers may submit the standard form PPA and supplemental documentation for the questionnaire (financials, safety record, etc) electronically (USB drive). These documents are not required to be included in the six (6) printed copies of each proposal. Note that the questionnaire response (maximum 20 pages), the PPA cover sheet, and the officer certification form must be provided as six (6) hard copies.
