

## Advertisement for Bids

**Owner:**

City of Trinidad

**Address:**

PO Box 390

409 Trinity Street

Trinidad, CA 95570

Separate sealed bids will be electronically received to provide all design, permitting, labor, materials, equipment, and testing for the City of Trinidad's Town Hall Solar Project, depicted in the **Scope of Services, Attachment A: Solar PV Site Plan**, and **Attachment B: Solar Feasibility Study**, including, but not limited to, a) design and installation of a roof-mounted, grid-tied solar photovoltaic (PV) array, and b) design and installation of a grid-tied battery backup system capable of providing emergency power to Town Hall in the event of a utility outage, at 409 Trinity Street, Trinidad, California 95570, in Humboldt County California.

Proposers shall design an installation that will make use of PG&E's Aggregated Net Energy Metering (NEM-2A) arrangement with the solar PV array, located on the roof of Town Hall, sized to offset approximately 100% of the annual electric load of Trinidad's Town Hall, Civic Club and Firehouse.

**A mandatory pre-bid meeting will be held at 409 Trinity Street, Trinidad California, on August 13<sup>th</sup>, from 2:00 pm to 3:00 pm.** The site visit and forum are designed to increase the likelihood that respondents have the applicable and appropriate information necessary to deliver proposed solutions that meet the City's expressed needs. The City has determined this is an essential service. All attendees should wear a face mask and practice social distancing requirements as directed by the Humboldt County Health Officer's Orders while the Order(s) are in effect. Information regarding the county order can be found here: <https://humboldt.gov.org/2725/Local-Orders>

**Electronic bids will be received by the Project Manager at [mavcollie@redwoodenergy.org](mailto:mavcollie@redwoodenergy.org) until 3:00 pm Pacific Standard Time (PST), September 3<sup>rd</sup>, 2020** and then publicly opened and read aloud via ZOOM meeting. Please e-mail request to attend bid opening to the project manager for the ZOOM meeting information. All contractor questions must be submitted by 5:00 pm on August 31<sup>st</sup>, 2020. Questions received after that time will not be responded to prior to bid opening.

To bid on this project, contractors must hold a contractor's license type C-10, C-46, or B. This is a public works project so all bidders must be registered with the Department of Industrial Relations, pay the prevailing wage (this includes, travel, subsistence, holiday pay, designated days off and overtime), determined by the Director of the DIR according to the type of work and location.
