

Agenda Item 5 RePower +

Wendy Ring <[REDACTED]>

Thu 9/24/2020 3:18 PM

To: Public Comment <publiccomment@redwoodenergy.org>;

Customers who subscribe to RePower+ are willing to pay higher rates because their portfolio costs more. If the cost of that portfolio goes down, so should the rate. Charging the old rate and diverting the difference to other programs, no matter how worthy, is not honest unless customers know that's what they're paying for.

A better course of action is to lower the rate for RePower + and publicize the hell out of it so more customers will opt up.
