## Request for Proposal for Regulatory and Legal Services: Q&A

*This document contains the questions and answers received prior to the deadline for submission of questions, 6/9/21, 5pm PDT.*

1. Could you clarify the requirement noted in the RFP: “A statement acknowledging that the firm shall give RCEA written notice of any professional relationships entered into during this period of agreement.”

*The intent of this requirement is to eliminate potential conflicts and would only apply to professional relationships that are related to work RCEA is doing. The firm would not be expected to notify RCEA of professional relationships for services outside of the energy sector or any relationships that pose no potential conflict with the work RCEA is doing.*
