

Notice of Intent to Solicit Resource Adequacy Capacity

www.RedwoodEnergy.org

July 19, 2021

Redwood Coast Energy Authority will seek proposals for incremental Resource Adequacy to further its contributions to the reliability of the California power grid and to fulfill its procurement obligations pursuant to the California Public Utilities Commission's [Decision Requiring Procurement to Address Mid-Term Reliability for 2023-2026](#). Pursuant to RCEA's adopted goals of local power resource development, preference will be given to projects located within the Humboldt Local Capacity Area. Respondents will be required to demonstrate progress toward site control, interconnection, and permitting as part of their response.

Tentative Schedule	
September 2021	Issuance of RFO
October 2021	Proposals due
November 2021	Approval of shortlist
Q1 2022	Negotiation and approval of contracts

Prospective respondents are not required to respond to this NOI to be eligible for offer consideration.
