NOTICE OF PROPOSED SHORTLIST

The following RFO Track responses will be recommended to the RCEA Board of Directors for shortlisting at their January 27, 2022 meeting. Shortlist status of each offer is contingent on a passing motion from the Board. No RFQ Track responses will be recommended for shortlisting.

Respondent	Project	Project Type	Capacity	Offer Type
Broad Reach Power & EWPRC	Fairhaven Energy Storage	Standalone storage	17 MW	RA-only
Renewable America	Foster Clean Power A	Solar + storage	3 MW	Bundled
Renewable America	North Bank Clean Power	Solar + storage	1 MW	Bundled

Following publication and Board approval of the proposed shortlist, RCEA may contact other RFO Track respondents in the event that one or more shortlisted offers are for any reason unable to advance to successful contract negotiation.
