Join RCEA's **Contractor and Vendor Network**

RCEA's Contractor and Vendor Network is a local resource for customers to find contractors or vendors for projects relating to RCEA rebates and programs.

RedwoodEnergy.org/contractor-vendor-network

- Be listed on RCEA's website with logo and brief description of business (see RedwoodEnergy.org/contractor-vendor-network)
- Customers engage directly with contractors and vendors
- Enrolling is as simple as completing a one-page form
- Hear about new incentives and rebates as they become available
- RCEA will:
 - ✓ generate customer interest in energy projects
 - ✓ refer customers to the Contractor and Vendor Network
 - ✓ prequalify and reserve rebates for RCEA customers
 - ✓ assist aligning incentives with your projects

RCEA's **Customer Energy Solutions** provides no-cost energy assessments and energy efficiency/ electrification rebates to Humboldt County commercial, public, and residential customers.

Sign up today and open doors to new opportunities!

Visit our **Contracting** page for enrollment instructions and more details about this and other ongoing opportunities. RedwoodEnergy.org/contracting
