**Learn more at [RedwoodEnergy.org/Events](https://www.RedwoodEnergy.org/Events)**

For information regarding RCEA Services and Generation Rates, please visit [www.RedwoodEnergy.org](https://www.RedwoodEnergy.org), email [Info@RedwoodEnergy.org](mailto:Info@RedwoodEnergy.org), or call us at 707-269-1700.

Due to time limitations, the reasons for the recent rate increases are not in the scope of this webinar. Our customer service representatives are glad to direct you to where to find the information on PG&E and RCEA rate-setting processes.

Redwood Coast Energy Authority is a not-for-profit government agency that provides Humboldt County with renewable energy. We are the generation portion of your bill. Visit [www.RedwoodEnergy.org/Residential-Electricity-Service/](https://www.RedwoodEnergy.org/Residential-Electricity-Service/) for more information about billing.
