

RFP 25-401 Addendum No.1

Responses to Proposer Questions

This document contains the questions received on or before 5/2/2025, along with the corresponding answers.

- 1. Is there an approved budget for the Cost of Service and Rate Design services? And if so, can you please share?**

Answer: No.

- 2. May a proposer bid on one or two of the tasks, or must they propose on all three tasks?**

Answer: Yes, a proposer may bid on one or more tasks.

- 3. Regarding SOW task 1.2 c: Will RCEA provide load and customer forecasts?**

Answer: Yes

- 4. Regarding SOW task 1.2 e: Will RCEA provide projected customer program costs?**

Answer: Yes

- 5. Regarding SOW task 1.3 a: Does RCEA want to consider rate classes that differ from PG&E, beyond consolidating similar PG&E rate schedules?**

Answer: Yes. RCEA does not currently plan to create rate classes that are different than PG&E's, other than potentially consolidating similar rate schedules into a single rate schedule but will consider other options based on the study outcomes.

- 6. Regarding SOW task 1.3 c: For the purposes of the cost of service analyses, what is RCEA's "distribution" function?**

Answer: As a community choice aggregator, RCEA is limited to generation and does not own or operate distribution infrastructure.

- 7. Regarding SOW task 2: What are the "other criteria will also be considered in designing rate options"?**

Answer: Please see section 1.2 of the RFP Scope of Work for a list of other criteria.

- 8. Does RCEA want any on-site presentations for the RCEA Board of Directors and/or stakeholder engagement and, if so, how many?**

Answer: Just one (1) on-site presentation to the Board is required for Task 2.
